

ARRIVAL

- How to get to Mainz from Frankfurt Airport
 - After landing, look for the sign directing you to the regional train station (Regionalbahnhof) and **do not** go to Fernbahnhof. You can buy a ticket to Mainz main station at the ticket machines in the train station.
 - The most convenient way to reach Mainz is by taking the S8 train. Its final destination is Wiesbaden main station, but it also stops at Mainz main station. The S8 departs from platform 3 twice an hour, and the journey to Mainz main station takes approximately 30 minutes.
 - **Please do not take a train to Mainz-Kastel**, as these trains will not take you to Mainz.
